

ADDENDUM # 1 To ITB # 16-052(C)

BOONE CO. SP 125 SWITCH POINT FIBER RELOCATION

This addendum forms a part of the contract documents and modifies the original bidding documents as noted below.

1. The contractor shall have traffic controls in place as shown in the attachment while working on 220th Street and on "U" Avenue.
2. All trenches, excavations, and knifed fiber will be properly tamped as approved by the county engineer.
3. The contractor shall provide a certificate of insurance naming Boone County as an Additional Insured for the permitted work. (Limits of Liability \$ 1,000,000)
4. Areas disturbed during construction that present an erosion problem shall be corrected per direction from the Boone County Engineer. Seed and mulch all areas disturbed during construction.
5. The contractor will provide the Boone County Engineering Department 48 hours notice prior to commencement of work in the right-of-way. (515-433-0530)
6. Damaged areas in the right-of-way will be restored to a preconstruction condition.
7. The contractor will provide a 24hr. a day contact to the Boone County Engineer.
8. A DOT right-of-way construction permit will be provided to the contractor by ICN. It will be the contractor's responsibility to have a copy on the job site at all times. The contractor will review and abide by the stipulations of the permit when working in the DOT right-of-way.

A signed copy of this Addendum must be returned with the bid documents.

Failure to do so may subject the bidder to disqualification.
